Dear Patricia,

This is just a short note to express my gratitude and appreciation for the tremendous work recently completed by the Purple Frog team for Aprio South Africa. This work included a corporate identity re-design, project implementation and printing, as well as a website and brochure design.

Your attention to detail, creative delivery and exceptional service from the start of the process through to completion was outstanding. Through the entire process, all the stringent details were achieved with the utmost professionalism and ease.

Your work has allowed me to display Aprio as a modern, vibrant and exciting company to work with, and to work for. Thank you.

Yours faithfully,

Julian Gwillim
